

PART-TIME CONTRACT TEACHERS WANTED

Fox Wire Farm Alpacas is excited to announce that we are launching a series of fun-filled and informative classes, workshops, and activities for kids, teenagers, and adults! We are currently in the planning phase, and seeking experienced teachers for a variety of classes and workshops that will be held on and off the farm.

Classes and workshops will include a variety of arts & crafts; environmental, botanical, and animal husbandry studies; and hands-on, day-on-the farm working sessions with the various animals, including our wonderful alpacas! Our offerings will be organized by age group, and some will present opportunities for adults and young people to work together, while exploring a particular skill or subject matter. Most classes and workshops will be four hours long; however, some of the on-the-farm activities involving our animals may be as long as six hours or involve multiple days.

Position Responsibilities

- Workshop or class development.
- Coordinating with Education Manager to identify and price necessary materials.
- Providing class description and any handout information needed for the class.
- Class instruction.
- Setup and cleanup of classroom.

Position Requirements

- Must be 18 years of age and authorized to work in the United States.
- Teaching experience specific to the class or workshop being taught.
- Friendly demeanor and ability to provide positive constructive feedback to students, while maintaining a fun learning environment.

Teachers will be paid \$25/hour for classroom instruction time. Fox Wire Farm Alpacas is a tobacco- and drug-free environment.

If you have an idea for a class or workshop you would like to teach that would complement the subject matter described, please submit your resume that summarizes your relevant teaching experience and a cover letter that briefly outlines your idea. All information should be emailed to Tamera Myer-Mams at tmyermams@foxwirefarmalpacas.com.
