Welcome to the Roaring Twenties!

Happy New Year, Everyone!
All of us at Fox Wire Farm Alpacas wish you a happy, healthy, and prosperous 2020!

Currently, we're in the planning stages of organizing and scheduling various events and classes throughout 2020 and ordering new Spring and Summer fashions soon to be available in the Store & Boutique. We encourage you to visit our website regularly and friend us on Facebook or Instagram to keep up-to-date on the exciting things to come as they are announced.

We've finished our Fall breeding at the farm and we're looking forward to late May/early June when the Spring 2020 newbies start to arrive. All of our Spring 2019 cria have been weaned and moved to the upper juvenile barns to form new friendships with our younger alpaca. They're doing great! Our Fall 2019 cria are growing fast and providing entertainment for all, while giving the Spring 2020 mamas, recently moved into the adjoining maternity barn, a promise of things to come!

Thank you for your friendship and support over the years. We hope to see you often throughout the coming year. ■

New Store & Boutique Hours and Tour Schedule

In case you haven't heard, we do have new Store & Boutique hours. We are now open Wednesday thru Sunday, 9:00 a.m. to 5:00 p.m.

Right now, we are only scheduling tours Friday, Saturday, and Sunday, as needed. Our popular General Admission Farm Tours and Private Custom Tours are available starting at either 9:30 a.m. or 1:30 p.m. To make a reservation, please call 757.707.5052. More information is available on our website at www.foxwirefarmalpacas.com. ■

Volunteers Needed for the April 2020 Shearing!

We don't yet have a set date; however, as always it will be a weekend day in early April. We will be announcing the exact day sometime in late February. Every year, we need volunteers to help with a variety of things both at the store and farm. Assignments include tour bus drivers, security, alpaca walkers, fleece crew, store/tour support, and general guest support/site maintenance.

All volunteers must be 18, in good physical health, be willing to accept the assignments we give you throughout the day, and be available for the entire day. Volunteers receive a T-shirt, light continental breakfast, lunch, and plenty of beverages throughout the day. We also have a celebration after all guests have left and the shearing is complete.

We need approximately 20-30 volunteers this coming year. If you are interested, please contact Tamera at 757.879.1037. If you have volunteered at the shearing before, please let her know, as we do give first priority to returning volunteers.

If you don't want to volunteer, but do want to attend the Shearing Event, we will be setting up the Shearing Tour schedule and taking reservations once we know the date, so stay tuned! ■

Store & Boutique Specials for January and February

You can still buy two packages of our lean, farm-grown Kune Kune sausage and get a third free as long as supplies last. We continue to have medium, hot, sweet & sassy, and maple brown sugar available. Pick up a dozen duck eggs to go with it and make a delicious breakfast for the family!

During the month of January, we're offering 5% off all alpaca dolls with coupon. This is the perfect opportunity to have your very own alpaca to cuddle with, but no need to clean up after or feed it! We have a variety of sizes and fiber colors from which to select! It's also never too early to start stocking up on gifts for upcoming occasions, and both kids and adults love our alpaca dolls!

In February, our popular felted soaps are 5% off with coupon. The soaps are available in a large variety of fragrances enjoyed by both men and women. Wrapped in a sheet of felted alpaca fiber, it's both soap and washcloth in one! Once the soap is used up, you can use the felted alpaca cloth as a dryer sheet for a gift that keeps on giving!
